

RAQUIS PRESS RATINGS HISTORY

Raquis (Rah-keess) may be a new project but the old hands that created it are some of the most talented wine craftspeople in Mendoza today and the Press has taken note, immediately.

Please see below the press for the recent vintages, with the current vintage highlighted in yellow. These are next-level wines that express the greatness of the high-altitude terroir of the best vineyards in Mendoza. They show finesse, bright fruit and clear expression of terroir.
